MISSION

Cibola High School is committed to success, challenging students and staff to achieve their highest potential.

THE SCHOOL AND THE COMMUNITY

Cibola High School is one of the largest schools in the Yuma Union High School District #70 and is accredited by Cognia. It opened in 1988 and its name is derived from a legend in Spanish history about great and limitless riches in the Seven Cities of Gold. Students selected Raiders as their school mascot.

The City of Yuma is located in Southwestern Arizona, within ten miles of Mexico and California. The Yuma community has a year-round population of approximately 95,000 residents. It is composed of predominantly Hispanic and White ethnic groups. The main economic activities of the area include: agriculture, tourism, light industry, and government services, including two large military bases. Yuma’s six public high schools serve the largest number of migrant students in Arizona. Cibola High School, with a student population of more than 2,500, has approximately 200 migrant students.

THE ACADEMIC PROGRAM

Cibola High School offers courses in multiple disciplines with a focus on academic rigor through the Cambridge Curriculum. Several Career and Technical Education programs as well as AVID, Advanced Placement courses, and dual enrollment courses are offered.

For more information visit: https://www.yumaunion.org/cibola

- Cibola High School hosts three dual enrollment courses that are open to all students.
- The Career and Technical Education program offers 12 dual credit courses.
- Seventeen Advanced Placement courses are open to all students.
- Project-based learning is embedded throughout the curriculum and most courses engage students in long-term investigative projects, which often address local issues affecting the community.
- Cibola High School offers AVID at every grade level, including four AVID Sections at the freshmen level.
- Cibola High School prepares students to be college, career, and community ready through the development of an Educational Career Action Plan (ECAP). ECAP personalizes the education experience, empowering students to align coursework and extracurricular activities with a career pathway that reflects individual interests, skills, and values.

Yuma Union High School District's academic program provides opportunities for every student to reach their full potential. Every school provides a personalized education with a focus on problem solving, collaboration and communication so today's students have the skills they need to be successful in careers, college and life. Flexible pathways allow students to apply their knowledge and skills to tasks of personal interest as a part of the personalized learning process. This includes dual enrollment, concurrent enrollment, CTE, work-based learning and virtual/blended learning.
