Thank you for your support of Kofa High School Athletics. We value you and your contributions to our students' success on and off the field.

We are excited to welcome our athletes back to competition and we need to protect their opportunity to compete. So, with a heavy heart, we plan to play all currently-scheduled YUHSD70-hosted events without spectators in an effort to maintain the health and safety of our students, our fans, and our community.

We hope to return to our long tradition of having the best fans in town in our stands soon. We are making an effort to livestream as many events as possible. Thank you for your understanding.

GO KINGS!
