

Cambridge Board Exams: Measuring College and Career Readiness

<p>Parents and Guardians,</p> <p>The Cibola Administration and Coaching Department will be meeting with students January 5th - 6th to discuss our upcoming Cambridge board exams. We strongly encourage students that have been enrolled in an IGCSE or AS course to consider taking one or more board exam at the end of the Spring Semester. Students have the option to take a series of board exams in core subjects to measure their progress towards college and career readiness. We ask that students discuss this opportunity with their parents/guardians, and if interested, sign a letter of registration and return it to the CHS RNY Secretary, Ms. Adkins, by January 20, 2017.</p> <ul style="list-style-type: none"> • Successful completion of board exams can award student's a Grand Canyon Diploma • There is no cost to take board exams • A low score does not affect a student's grade and a high score on a board exam can improve a low grade in the class 	<p style="text-align: center;">Grand Canyon Diploma</p> <p>A Grand Canyon Diploma demonstrates that a student is academically prepared for college classes without remediation.
