

How are the tax credits used?

Arizona Tax Credit funds help pay for travel, uniforms and equipment. It also helps with extra materials, summer workshops...just to name a few.

In 2015, supporters generously donated to YUHSD schools:

\$240,947.31

Contributions by school were:

Cibola High School	\$94,596.44
Gila Ridge High School	\$57,075.82
Kofa High School	\$43,790.48
San Luis High School	\$19,986.99
Vista High School	\$2,028.91
Yuma High School	\$23,468.67

By making an Arizona Tax Credit donation, everyone wins. Schools receive the money for extracurricular activities, and donors receive a dollar-for-dollar tax credit (NOT a deduction). You can increase YUHSD's tax credit contribution by telling friends and family about the Arizona Tax Credit program.

Arizona School Tax Credits

A Win-Win Opportunity

Help Schools Without it Costing You a Thing

Arizona allows state income taxpayers to receive a tax credit of up to \$400* for contributions made to public schools to support extracurricular activities. This tax credit is available to all taxpayers whether or not they have children in public schools.

These kinds of programs help fund a range of programs from sports and band fees to lab sciences and art projects. The Yuma Union High School District is committed to maintaining these activities for the enjoyment and enrichment of students. Unfortunately, YUHSD's funding is not sufficient to offset all of the associated costs. As a result, these programs must depend on fees from students.

To claim the Arizona State Tax Credit, one can just make a donation in an amount they feel comfortable contributing. Whatever is given will be offset by a dollar-for-dollar tax credit for the applicable tax year - up to \$400* per tax return! The choice of the school and program is a decision made by the donor. The law simply states that the donation must go directly to a local school to be used for extracurricular activities.
