National Honor Society

What does it take to be an amazing and talented National Honor Society Yuma High Chapter member? Well that is a great question! It takes four things: Leadership, Scholarship, Character, and Citizenship. A NHS Criminal shows they are able to lead others in the community, maintain their grades (2.8 GPA minimum), follow the rules of both school and community, and are active in volunteering for the community. If you feel you are a good fit to be a NHS Criminal then please reach out to NHS.Criminals@gmail.com for more information.
